

TESTIMONIALS FOR 'THE ANSWER' FROM READERS

I loved THE ANSWER! It's a brilliant book that has a powerful message that we can use in our professional and personal lives - thank you for writing it!

Janina Braybrook, Channel Development Manager, ADP Payroll & HR Solutions

Lindsay has an incredible talent for communicating such powerful concepts so easily. I was not only engaged, but also inspired and empowered by the simplicity of the concepts in 'The Answer'. It is fantastic and I know it will change many lives!

Andrew Jobling, Leading author, speaker, motivator and well being advisor

I started reading the book and am letting one big idea sink in at a time. It is SO good Lindsay. And I can hear you talking as I read it. Congratulations again - it is going to become a classic.

Isha Scott Manager, Community Planning and Advocacy, City of Yarra

Can I say, I thoroughly enjoyed reading your book.

Thank you for your insights.

Skye Collings Principal Manager | Stakeholder Relations Branch

Strategic Policy Division | Department of Transport and Main Roads

There aren't many people who have Lindsay's ability to integrate what her head and her heart tell her. This is why she continues to have an enviable record of success in assisting people to be the best they can be. Her book, THE ANSWER, reflects this same talent for combining and integrating theoretical and practical dimensions in unexpected and creative ways.

Dr James Moulder, formerly Monash University MBA Program, Jnr Fellow Linacre College University of Oxford, Snr Consultant Corporate Learning Systems

The content of your book 'The Answer - Improve your life by asking better questions' was a terrific read. I think that it is very empowering. I like that you have used a narrative style which adds to its user friendly appeal.

I find that the use of good questions is an important skill to develop and can be utilized in all walks of life, it is the essence of lifelong learning.

Julie Hurrell, Project Manager, TAFE Development Centre

Great book..easy to buy, easy to read and easy to apply. I have read your book twice and dog eared many pages.....a great tool for myself and when with others.....the absolute best part though is being comfortable in the 'moment of silence'.....that is when the "BFO" (blinding flash of the obvious) springs to life and the opportunities are endless. Thanks Lindsay.

A really generous book – such an easy read with a really powerful message and filled with inspiring, practical wisdom! If your innate message were enacted by all who read it - the world cannot help to be a better place and life richer and more fulfilling for all.

Jill Hosken, Civil Celebrant

You have written something very accessible to the general population. It is concise with excellent examples to illustrate key points. I love the tips at the end of each chapter. I think you cover all the relevant topics and tips. The tools provided will be an excellent support. What is amazing is that I feel your passion and positive intent throughout the whole book.

Mary Mangos, Director Appian

I love your book, I am totally absorbed and thoroughly enjoying it...thank you.

Jane Riley, National Marketing Manager, Wridgways

Your book is a great read, so full of practical information, but most importantly achievable for everyone. I thank you for sharing your knowledge, passion and wit and as I read each page I can feel the strength of character that you are with a caring soul.
